School Description

Princeton Joint Unified School District is located in the rural farming community of Princeton, California and has two schools: Princeton Elementary School (K-6) and Princeton Junior Senior High School (7-12), totaling enrollment of about 200 students. The town of Princeton is situated on the Colusa and Glenn County line, on Highway 45, adjacent to the Sacramento River. The Glenn County Office of Education has oversight of the Princeton Joint Unified School District.

Our schools offer excellent educational opportunities for our students. Both of our schools enjoy very low student to teacher ratios, typically around 15 students per class. Our small school and class sizes make it easier for students to enjoy closer relationships with teachers and staff and for teachers to provide students with greater individualized attention. Our schools are also very safe; we have few discipline issues and remain almost completely free of the gang problems experienced in some other districts.

Our K-12 courses are standards-based and academically rigorous. In addition to college preparatory courses, we offer a variety career technical education courses, oriented toward agriculture and medicine. Advanced placement courses are sometimes offered on the master schedule; a variety of other courses are available as online options. English learners are offered English Language Development courses at both sites, and our district consistently does an excellent job of helping our English learners become proficient in English.

Despite our small size, Princeton schools offer our students a wide variety of opportunities for involvement. As expected in an agricultural community, 4-H and FFA are popular organizations. Our athletics teams include football, volleyball, basketball, baseball, and softball. Students wishing to participate in other sports have the opportunity to do so at neighboring schools. Yearbook, CSF, student government, school site council, MeCHA, and sixth grade science camp are some of the other extracurricular activities our students enjoy.

Each year our seniors apply and are accepted to quality colleges and universities. Many are the recipients of awards and scholarships from both Glenn and Colusa Counties to help them in their pursuit of post-high school education. Our dropout rate is extremely low, and nearly all seniors graduate on time with a diploma.

A significant number of Princeton's students have chosen to transfer from their district of residence and attend Princeton as interdistrict transfer students. We welcome interdistrict transfers and have seen very positive results for many of our transfer students. If you should have interest in your students becoming Princeton Eagles, please contact our school offices.

Both of our schools look forward to the new opportunities presented by the transition to Common Core State Standards. We believe that we will be able to help our students become even better prepared for their lives in school and beyond.

Mission Statement

To provide our students with the academic, social and emotional skills needed of pre-adolescent children so that they may be better prepared to meet the challenges of middle school, high school and beyond.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensures that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One custodian is assigned to Princeton Elementary.

The custodians are responsible for:

- Groundskeeping
- Restrooms
- Cafeteria Cleanup/Setup
- Office Area Cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The Director of Maintenance and Operations communicates daily with the Superintendent and custodial staff concerning maintenance and school safety issues.

The district Director of Maintenance & Operations does an annual inspection of all sites in accordance with Education Code §17592.72(c) (1). The inspection tool is on file and available for review at the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	16	42	60	40	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

2016-17 CAASPP Results for All Students

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	43.8	6.2	6.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	14	12	85.7	41.7
Socioeconomically Disadvantaged	12	10	83.3	30.0

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	52	51	98.08	29.41
Male	31	30	96.77	26.67
Female	21	21	100	33.33

Socioeconomically Disadvantaged	38	38	100	21.05
English Learners	25	25	100	20
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents are encouraged to become involved in the school by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents can stay informed on upcoming events and school activities through the school web site, the school marquee, and flyers. Contact the school secretaries at (530) 439-2501 for more information on how to become involved in your child's school.

Opportunities to be Involved:

- School Site Council
- Classroom Helper
- Chaperone
- Fundraising Committees
- Focus Groups
- Winter Program
- Fall Pumpkin Carnival
- Migrant Parent Advisory Committee
- School Activities
- Back to School Night
- Open House
- Class Community Project Activities
- Field trips

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Safety Plan is reviewed, updated, and discussed with school faculty annually. The plan establishes and defines procedures/guidelines for the safe and orderly response to earthquakes, fires, floods, intruders, and other emergency disasters. It outlines the protocol for teachers and staff, including the use of telephone trees. The Safety Plan also contains the numbers for each agency that should be contacted in the event of an emergency. To prepare our students and staff for potential disasters and in according law, all schools in the Princeton Joint Unified School District routinely participate in simulated emergency preparedness drills. Each year, there are safety checks by the Fire Marshall as well as by our insurance carrier. The District is mandated to correct any safety deficiencies. We do all we can to ensure the safety of our students, staff, and community at large. To ensure safety on campus, teachers and administrators monitor appropriate behavior. To ensure that all people are authorized to be on school property all visitors must sign in when entering the campus. Our student discipline handbook is updated annually and shared with each student at the beginning of each school year. This helps to ensure that all students are aware of behavior expectations and consequences; a copy is mailed home to all parents/guardians. The District offers first aid training each year.

For more information about how parents can receive more information, or to view the School Safety Plan, contact the District Office at 530-439-2261.

Professional Development provided for Teachers

Training and curriculum development activities at Princeton Elementary have focused on the California State Content Standards and Frameworks; they are now shifting to a focus on Common Core Standards and Next Generation Science Standards. Professional development activities support adoption of new curriculum, language arts and math curricula, and alignment of curriculum to content standards. Decisions concerning selection of staff development activities are performed by the principal using tools such as teacher input, state assessment results and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Princeton Elementary continues to offer three (3) paid in-service days annually for staff development. These days are focused on the improvement of student achievement and the development of safe schools. The district also offers ongoing support to new teachers through BTSA (Beginning Teacher Assessment and Support), and all teachers are highly encouraged to attend professional workshops and conferences to hone their skills. The district also devotes up to six (6) minimum days that are for collaboration purposes and/or staff development. Classified support staff receives job-related training from department supervisors and the Glenn County Office of Education. Classified employees are also encouraged to seek outside staff development opportunities to enhance job proficiency.

Types of Services Funded

Princeton provides English learners with both in class SDAIE instruction and pull out ELD instruction. We continue to provide classroom instruction through the summer through the Expect Success Summer Camp. We provide after school tutoring and enrichment through the SPARK program. All programs offer these services to all students who require additional support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
